

HF SWAT SHAWLS LTD

Two friends, one originally from the splendid Italian Cozzie Alps and the other from the rich forests of the Swat Valley in Pakistan, have come together to create:

HF SWAT SHAWLS LTD

The company focuses on the sale of fine hand-embroidered clothing accessories as per the ancient Pakistani artisan tradition.

In Pakistan, hand embroidery is an ancient textile art form that is passed down from generation to generation and which bases its origins on a traditional female pastime. Our accessories come from the Swat Valley which is still today a thriving center of craftsmanship and ancient crafts, among which the exquisite art of hand embroidery stands out, famous and appreciated throughout the world.

Clothing accessories and household objects are crafted and enriched with elegant embroidery taken from ancient motifs and designs inspired by the natural beauty of the country. Today, Swati embroidery has gained a unique status thanks to its tradition, innovation and creativity of skilled artisans across the country.
